### **Guidelines for Boarders in *Hillcourt House***

1. Boarders should show courtesy and respect to staff members at all times. Boarders are required to treat property in *Hillcourt* with care and respect.
2. Boarders are required to check in and out **in person** with the matron on duty.
3. At weekends, boarders are free to go home or out with family friends. They must have a written or faxed invitation from the person inviting them out, and written permission from their parents/guardians allowing them to go. The boarding house insists that there is adult/parental supervision in the house where the visit is due to take place. The person inviting is responsible for the boarder during absence from *Hillcourt House*.
4. All boarders are required to attend Church/Mass on Sunday mornings. Attendance at Evening Prayers once a month is also a requirement.
5. Each boarder in *Hillcourt House* is required to place her valuables/money in the safe supplied in her room. The boarding house takes no responsibility for the loss of valuables/money that has not been locked in safes.
6. Boarders are expected to leave *Hillcourt House* at 8.35am **each morning** in order to be on time for Assembly/Form Time.
7. Rathdown School actively promotes a healthy eating policy. Students who do not adhere to this policy may be asked to leave the boarding department.
