Exeat Form – Boarding House Weekend Outings

Boarders are permitted to go out each weekend from 3:15 pm on Fridays until 8:00 pm on Sundays, providing a written invitation is received by the School by the previous Wednesday evening.

Parents **MUST** complete this *Exeat Form* stating with whom their daughter may visit at weekends.

*I am willing to let my daughter go out with school friends and stay at their homes overnight, should she be invited. **

I understand that the School cannot accept responsibility for her once she leaves the School premises.

I accept that it is the responsibility of students to tell their parents where they are going and with whom, should they receive an invitation.
