Uniforms can also be purchased online throughout the year from www.SchoolUniformsDirect.ie.

What if I cannot visit the school on the collection day?

If you have ordered a uniform and cannot collect it during our school visit we suggest you give your docket or a photograph of your docket to another parent/friend and have them collect it for you.
Alternatively you can visit our shop or have it delivered by courier (delivery charges apply, parcel must be signed for & significant processing time must be allowed for prior to school commencing).

How do I pay for my uniform?

Card and cash payments only accepted on the days we visit your school.
Cheques and telephone payments cannot be accepted.

My child is still growing, it is too early to fit for a uniform?

It is recommended to purchase your new school uniform early.
Leaving it until the week before school begins is not advised.

Here in School Uniforms Direct we have many years of experience fitting students with uniforms to fit for the full school year ahead and hopefully a little longer. With this experience we ensure to allow for growth over the summer time too.
We ask you to trust our judgement and recommendations when we measure your garments larger than needed at the time of fitting.
If you wish to change sizes upon collection that is no problem.
(Excluding personalised goods.)

What is your returns policy?

Items can be returned within 30 days of purchase or school delivery with a valid receipt and goods unworn, in their original packaging and with tags still attached.
Personalised garments cannot be changed, exchanged or refunded.
